University of St. Gallen

A LEADING UNIVERSITY IN
MANAGEMENT, ECONOMICS, LAW, SOCIAL SCIENCES AND INTERNATIONAL AFFAIRS

As one of Europe’s leading business universities located in Switzerland, we offer university degrees and executive education at the highest international level. A practical approach and integrative view characterise our education and support the HSG’s unique concept. With a number of degree programmes taught in English, the HSG is also attractive to students from other countries – we unite 80 nationalities on our campus.

Bachelor

The definite programme is available about one month before the semester starts. Bachelor students are advised to attend courses corresponding to their level of study at their home university. Master courses may be attended if necessary and if prerequisites are met, however, students should confirm course recognition with home university in advance. Courses from SIM (Master in Strategy and International Management) are not open to Bachelor students.

PhD

PhD guest stay is more flexible with regard to requirements as workload and course selection. Contact the PhD exchange programme manager in due time.

[www.unisg.ch/studium/doktorat](http://www.unisg.ch/studium/doktorat)
Course registration takes place through an online bidding process about three weeks before the semester begins. Student Mobility will inform guest students about the process well in advance. Information is also available on www.exchange.unisg.ch → Incoming details guest stay.

Courses take place throughout the entire semester (13 weeks) and/or in block seminars.

ISP students register for classes with the ISP programme director.

The workload per semester averages 24-30 ECTS credits. It is compulsory that guest students take a course load of at least 16 ECTS credits per semester at the University of St. Gallen. However, they should follow the minimum requirements of their home university. CEMS students must follow the CEMS regulations.

At the University of St. Gallen 1 ECTS corresponds to 30 hours of course work including lectures, independent study, projects, exams, etc. Credits are awarded only for successfully passed courses.

Seminars, lectures, self-study. Students are expected to attend all lectures, to complete all course-related assignments and to take exams in order to receive a course grade.

Classes range in size from 20 to 300 students. ISP classes have fewer than 40 students.

Examinations may be oral and/or written. Presentations/course participation may also constitute part of the final grade.

Guest students enrolled for two consecutive semesters:
Students staying for two consecutive semesters must take exams for their first semester courses as specified in the course/exam description. If a "central exam" is specified, they may schedule a "decentral exam" if the course instructor permits.

See individual course descriptions for information on exam format and schedule.
